- Standard finish
- Without special treatment
- Seamless knit

BENEFITS

- A light, elastic low-lint glove, resistant to deformation and which keeps its shape longer
- Protects extremities from oils and micro-cuts while remaining flexible
- No fingerprints left on handled objects, extremities protected
- Minimal allergy risks
- No irritation by seams in contact with the skin
- Wrist well protected

INDUSTRY

Aerospace

Automotive

Electronics

Manufacturing

Pharmaceutical

Warehousing & Distribution

IDEAL APPLICATIONS

- Mechanical and engineering
- Automotive repairs & maintenance
- Integrated circuits
- Intricate parts handling
- Microelectronic
- Semiconductors
- Cleanrooms
- Cleanroom
- Quality control

MATERIAL

- Nylon
- Seamless knit

COATING

- Polyurethane

NORMS

[USER INSTRUCTIONS

Do not use where there are chemical, electrical, thermal or entanglement risks. Wash at 40°C max. Performance levels as per standard EN388 retained after 3 washes, subject to variations linked to actual usage conditions. The performance levels apply to the coated surface only. Store in a dry place, away from the light.

[DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
